# REPORT OF THE COMMITTEE

FOR THE

YEAR ENDED DECEMBER 31st, 1891.

DURING the year 515 patients were admitted into the London Fever Hospital, and at the commencement of the year there were already in the Hospital 60 patients, thus bringing up the total number of patients under treatment during the twelve months ending on December the 31st, 1891, to 575.

Of the patients admitted during the year, 339 came in with Scarlet Fever, 42 with Measles, 84 with German Measles, 18 with Diphtheria, 4 with Typhoid Fever; in addition 27 patients were under treatment in the Hospital, for various non-infectious complaints, the nature of which is detailed in the tables annexed to this Report, drawn up by Dr. Hopwood, the Resident Medical Officer.

As has been the case in previous years since 1883, there was no case of Typhus Fever.

The total number of cases of Scarlet Fever under treatment was 388, being 49 who were already in the Hospital at the beginning of the year, and 339 admitted during 1891; of the latter number, 126 were

admitted during the last three months of the year. The number discharged cured was 328; 3 died, and at the close of the year there were still 57 under treatment.

The mortality was thus only 0·9 per cent. Although some of the cases were of considerable severity, the disease generally was of a mild type, as may be seen from the above exceptionally low mortality, which compares favourably with the rate of mortality—5·1 per cent.—of the cases of Scarlet Fever, 11,398 in number, notified to the Sanitary Authorities in London during the year 1891.

The cases of Measles which came under treatment were 51 in number, being 9 remaining from the previous year, and 42 new cases; 44 were discharged cured, 2 died and 5 remained under treatment.

The mortality from Measles was therefore 4·3 per cent. Many of the cases of Measles were received into the London Fever Hospital from other general or Children's Hospitals, and were suffering from severe injuries or diseases before the Measles was contracted; the 2 deaths which occurred both resulted from broncho-pneumonia.

Eighty-four cases of Rubeola or German Measles were admitted; 83 were discharged cured, and 1 remained in hospital convalescent at the end of the year.

Eighteen cases of Diphtheria were admitted, and 2 were already in hospital when the year began; 17 were discharged cured, 1 is still in the hospital, and 2 cases were fatal. The rate of mortality was 10·5 per cent.

Four cases of Typhoid Fever were taken into the Hospital during the year; 1 was discharged cured, 1 was still in hospital at the close of the year, and 2 died, who were already almost moribund when admitted.

One patient was admitted suffering from both Scarlet and Typhoid Fevers, this case ended fatally.

Twenty-seven patients came under treatment for diseases other than Fever; of these 4 died, and the remaining 23 were discharged cured.

Of the Officials of the Institution one Nurse contracted German Measles, and another caught Scarlet Fever; both recovered.

The Committee have the satisfaction to report that during the past year, and indeed since the year 1886, not a single patient admitted for one kind of fever contracted another while in the Hospital, a result which speaks highly for the care exercised by Dr. Hopwood, the Resident Medical Officer, on whom rests the responsibility of seeing the cases on admission into the Hospital, and of directing into which ward each patient shall be received; and it also testifies to the efficient supervision by the Resident Medical Officer and the Matron (Miss Ingall), of all the arrangements existing for isolation and disinfection.

In October Dr. Macevoy resigned the post of Assistant Resident Medical Officer which he had held for two years, and Dr. Fawcett was elected to this post.

The loss sustained by the Hospital in the early part of the year by the death of Dr. Gulliver, one of the Physicians, was filled up by the appointment to the post of Dr. Sidney Phillips, the

Senior Assistant Physician, Dr. William Hunter being appointed Assistant Physician in his place.

By the deaths of Alderman Sir Robert Fowler, M.P., of Cardinal Manning, and of Mr. T. Hyde Hills, the Institution has lost valued friends and supporters. Sir Robert Fowler was Treasurer and one of the Trustees of the Hospital, and Mr. Hills had been connected with the Hospital for many years.

Alderman J. C. Dimsdale, the friend and partner of the late Sir Robert Fowler, has been elected Treasurer and Trustee in his place.

# LONDON FEVER HOSPITAL

*LIVERPOOL ROAD, ISLINGTON.*

---

## LAWS AND REGULATIONS.

---

### Reception of Patients.

1. The Hospital is intended for the reception of persons suffering from infectious fever other than small-pox, and more especially for such of those persons as may require isolation, in order to prevent the further spread or propagation of the disease from them to others.

2. Any person (not being a parochial pauper) labouring under such disease shall, subject to the next rule, be considered a proper person for admission into the Hospital.

3. The Committee may from time to time make regulations for the admission of such persons as patients on payment of such sums as may be from time to time determined, provided always that—

(a) Domestic servants of governors shall be admitted gratuitously.

(b) The Committee may, if they think fit, at any time reduce or wholly remit the fees in the case of individual patients.

4. Applications for admission should be accompanied by a medical certificate stating the nature of the disease. The medical officers may, in the exercise of their discretion, refuse admission to any case which they deem unfit; but every refusal to admit a patient shall be reported at the next meeting of the Committee, together with the reason for the refusal.

### Governors.

5. All subscribers of not less than one guinea per annum, who have subscribed for more than one year, and all donors of not less than ten guineas in one donation, shall be governors of the Hospital. This rule shall not be retrospective.

### General Meetings and Election of Committee.

6. A general meeting of the governors, of which ten days' previous notice must be given in three morning newspapers, shall be held every year, on the second Friday in February, or as near thereto as may be convenient, for the purpose of approving or rescinding the proceedings of the Committee for the preceding year; for receiving the annual report of the state of the funds; and for electing a president, vice-presidents, treasurer, honorary secretary, and other members of the Committee for the ensuing year.

7. The Committee for the management of the Hospital shall consist of the

president, the vice-presidents, the trustees, the treasurer, honorary secretary, and not less than fifteen nor more than twenty-five other governors.

8. A special general meeting of the governors may at any time be called by direction of the president or of the Committee; or on the requisition of any twelve governors, provided the requisition be made in writing to the secretary, and the purpose for which the same is summoned be published in three morning newspapers at least ten days prior to the meeting; but the proceedings of such special general meeting, though acted upon *pro tempore*, shall not be deemed final until confirmed by another general meeting.

9. No new rule or law shall be made, nor shall any existing rule or law be repealed or altered, until determined upon at a general meeting by a majority of governors present and voting, and until confirmed at a subsequent general or special meeting.

10. The presence of seven governors shall be necessary to constitute a quorum at general meetings, and without that number no business shall be transacted.

### The Committee.

11. The Committee shall manage the Hospital. They shall meet on the second Friday, or on such other day of every month as they may appoint; and three members shall be necessary to constitute a meeting and to transact business. A special meeting of the Committee may be called by the direction of the honorary secretary, or by any three members of the Committee, on giving at least three days' notice of the same to the members of the Committee, and specifying the business for which it is called.

12. The Committee shall have authority to appoint sub-committees, whose reports shall be submitted to their consideration; and with the assistance of the medical officers shall, from time to time as may be expedient, form regulations and by-laws for the internal management of the Hospital.

13. The resolutions of one meeting of the Committee shall not be rescinded by another, unless it be specially summoned for that purpose.

14. The Committee shall yearly publish a report of the state of the Hospital.

15. All accounts, except such small sums as may be comprised under the item of petty cash, shall be submitted to the Committee at the monthly meetings, after having been duly examined by the secretary, the resident medical officer, the house-directors, and certified by the auditor; and such accounts, if approved, shall be paid by cheques payable to order, signed in Committee by two members of the Committee, or, in case a Committee cannot be formed, by two of the house-directors, and in all cases countersigned by the secretary.

16. No member of the Committee shall furnish, otherwise than gratuitously, any goods, provisions, or other articles, for the use of, or on account of, the Hospital, or be concerned in any contract, directly or indirectly, for supplying the same, or be employed for hire, fees, wages, or profit in any office or employment in connection with the Hospital.

### Conduct of Meetings.

17. At all meetings a simple majority of the members present and voting

shall bind the minority; and in case of equality of votes, the chairman shall have an additional or casting vote.

### Treasurer.

18. The treasurer, if present, shall take the chair at all meetings of the Committee, in the absence of the president or vice-presidents. He shall keep an account at the bankers', and all moneys received for the use of the Hospital shall be paid to such account; he shall honour cheques signed, as provided in Rule 15.

### Honorary Secretary.

19. In the absence of the Committee, the honorary secretary shall represent the Hospital with the public and with public bodies, reporting his action to the Committee.

### Audit.

20. All accounts of the Hospital shall be audited by a professional auditor. The auditor shall certify the accounts, and it shall be his duty to report to the Committee anything in the books or accounts which in his opinion appear to call for comment.

21. At the meeting of the Committee in November, three gentlemen, one at least of whom shall not be a member of the Committee, shall be appointed to examine the accounts of the Hospital for the current year, and approve an abstract of all receipts and disbursements to be prepared by the secretary, and laid before the annual general meeting in February.

### House-Directors.

22. The house-directors shall consist of the trustees, treasurer, the two physicians, and the architect, who shall be *ex-officio* house-directors, and of three elected house-directors chosen as follows:—The Committee at their meeting in February shall appoint a member of their own body to be chairman of house-directors, who shall retain office for a term of three months. They shall in like manner appoint a chairman of house-directors at their meetings in May, August, and November. The same person shall not, unless by special resolution of the Committee, be elected for two terms in succession. The Committee at each monthly meeting shall appoint two members of their body to be house-directors for the ensuing month, one of whom, if possible, shall not have served during the previous month. If the same house-directors are re-appointed, they shall only be so appointed by special resolution.

23. They shall from time to time cause the beds, clothes, and apparel belonging to the Hospital to be examined, and shall report thereon, if necessary, to the Committee. They shall inspect the tradesmen's bills, and take care that the provisions, bedding, clothing, furniture, and every article for the use of the Hospital be supplied on the most reasonable terms; they shall order in writing all permanent stores, and shall advise the Committee as to all larger requirements and structural alterations.

24. All articles required in large quantity shall, where practicable, be supplied by contract after public tender, and all considerable contracts for work or repairs be made after public tender or invitation to not less than three respectable firms, but the house-directors shall not be obliged to accept the lowest or any tender.

25. They shall be authorised in all respects to enforce the observance of the regulations of the Hospital; they shall notice and report to the Committee any irregularity or misconduct on the part of the officers, servants, or patients of the charity, and shall, at every meeting of the Committee, cause a statement of the house expenditure to be produced for the preceding month. They shall appoint and dismiss, or approve the appointment or dismissal, of all nurses, porters, and other servants, male or female.

26. The chairman of the house-directors shall, during the intervals between their meetings, be authorised to exercise the functions of the house-directors in any matter of urgency, reporting, at their next meeting, what he may have done under this authority.

#### Physicians.

27. There shall be two physicians and one or more assistant physicians, who shall be Fellows or Members of the Royal College of Physicians of London; and also a surgeon, who shall be a Fellow of the Royal College of Surgeons.

28. One of the physicians shall visit the Hospital at least once every day. The physicians shall have the power of dismissing any patient for refractory conduct or disobedience of orders. The physicians, assistant physicians, and surgeon shall be entitled to attend all Committee meetings.

28A. No physician shall hold the appointment of physician for more than twenty years, nor after he shall have attained the age of sixty-five years.

#### Assistant Physicians.

29. In case of the illness or necessary absence of either of the physicians, one of the assistant physicians shall attend regularly in his stead. Such attendances shall be reported to the Committee. If the number of patients exceed 150, an assistant physician shall come on active duty.

30. The surgeon shall undertake the surgical charge of such patients as the physicians may deem necessary, and in case of emergency shall attend when summoned by the resident medical officer. Such attendances shall be reported to the Committee. If unable to attend, the surgeon shall substitute a duly qualified deputy.

#### Hospital Pupils.

31. No medical student shall be permitted to visit the Hospital unless in company with one of the physicians, or unless regularly entered or registered as a pupil by the physicians.

#### Architect.

32. There shall be an Architect to the Hospital. He shall advise on all questions concerning the Hospital sites and buildings, and shall supervise the structural maintenance of the Hospital, prepare all plans, and superintend all works connected therewith.

33. His status shall be similar to that of physicians to the Hospital.

### Resident Medical Officer.

34. The resident medical officer shall reside constantly at the Hospital, and shall devote himself entirely to the duties of his office, as defined by these laws and by the by-laws. Candidates for the post shall be required to produce satisfactory testimonials to the Committee.

35. He shall superintend the wards, and Hospital generally, between the visits of the physicians, and the dispensary shall be exclusively under his control. In the absence of the Committee and house-directors, he shall be recognised as the head of the establishment.

36. He shall keep accurate registers of the patients and of their cases, which registers shall be the property of the Hospital; he shall produce a special report every month, to be laid before the Committee.

37. When the number of patients shall be great, an assistant to the resident medical officer shall be appointed, and he shall receive such remuneration as the Committee shall from time to time determine.

### Secretary, House Steward, and Collector.

38. There shall be a secretary and a house steward. These offices shall be filled by the same or by different persons as the Committee shall from time to time think fit.

39. The duties of the secretary shall be to have the conduct of the correspondence of the Hospital, the keeping of the accounts, and to perform all duties appointed by the by-laws.

40. The house steward shall have the management of the domestic affairs of the Hospital, under the general superintendence of the resident medical officer, and shall perform the duties appointed by the by-laws.

41. The duties of the collector shall be—  
To call on subscribers and collect all donations and subscriptions of the Hospital; to give only authorised printed receipts for the same; to attend all meetings when required; to keep correct lists and duplicate lists of all donations and subscriptions, with the residences of the donors and subscribers, made up from day to day; to pay weekly all moneys he may receive to the bankers; to deliver weekly to the secretary reports in writing of all moneys received and paid, with the balance at the bankers'; to keep the accounts regularly entered in the collector's cash book; to deliver a copy of the annual report to each subscriber; and to perform all the duties appointed by the by-laws.

42. The secretary, house steward, and collector shall be required to enter into bonds with sufficient sureties for the due and faithful performance of their duties in such sums as the Committee may determine.

### Matron.

43. The matron shall have the direction of the nurses and female servants of the Hospital, subject to the superintendence of the house directors and the resident medical officer, and shall be responsible for the care and order of the wards. She shall have charge of the housekeeping arrangements, and shall perform the duties appointed by the by-laws.

### Election of Officers.

44. The physicians, surgeon, assistant physicians, architect, resident medical officers, matron, auditor, and secretary shall be elected by a Committee comprised of the Committee for the management of the Hospital, the honorary medical officers, and the architect.

### Salaries.

45. No variation in the fixed salaries of officials shall be made unless the Committee be summoned for that purpose, and unless the proposed addition or diminution be confirmed by a subsequent Committee.

### Trustees.

46. The legal estate in the lands, buildings, and premises of the Hospital shall be vested in not less than three trustees, new trustees being appointed at a general meeting of the governors when vacancies occur.

47. All legacies of £100 and upwards, unless otherwise directed by the testators, shall be invested for the benefit of the Hospital, in the names of three trustees, to be called trustees of the fund.

### Religious Ministrations.

48. Ministers of religion of all denominations shall have free and equal access to the Hospital, but no minister of any denomination shall receive any payment out of the funds of the Hospital in respect of his ministrations.

49. It shall be a standing instruction to the Committee and officers of the Hospital that any minister of religion desirous of visiting or ministering to patients of his own denomination shall be received with all courtesy, and shall be afforded all facilities consistent with the wishes and welfare of the patients, and the convenient conduct of the Hospital.

### By-Laws.

50. The by-laws which shall from time to time be made by the Committee shall be open to the inspection of any governor, and shall contain, among other things, a full specification of the duties of the resident medical officer, the matron, and other officers and servants of the Hospital, together with the terms of their employment. This specification of his or her own duties shall be read to, and assented to in writing by, every person before his or her appointment, and referred to on all occasions of doubt.

At a Meeting of the Committee held at Freemasons' Tavern, on October 13th, 1882, it was resolved:—

1. That no election to the offices of physician, assistant physician, resident medical officer, assistant resident medical officer, secretary, auditor, or matron, be proceeded with until the vacancy has been advertised in three daily London papers and in two medical journals. The first advertisement to be inserted not less than eight days before the election.
